Re: Changes in newsroom

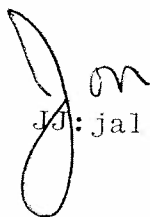

I am very pleased to announce our latest changes in staff positions in the newsroom.

First of all, Dave Courvoisier will be moving from his Breakfast Show and Noon News anchor slot to co-anchor with Mike at 10:00 p.m. and do field reporting for both the 5:30 and 10:00 p.m. newscasts. Dave has done an outstanding job on the Breakfast Show and Noon News.

Second, Jim Burns will be getting back into an anchor roll by taking over the Anchor/Producer duties on the Breakfast Show and Noon News. Jim has been our team utility man and has filled in where needed, also doing an excellent job on Composite. Jim has wanted to get back into anchoring after a stint in producing, and we think this move will give Jim a chance to show his skills, while keeping us strong in our morning news programming.

These changes will take effect June 14, 1982.

I am really happy with both of these position changes, and I hope you will offer congratulations to both Dave and Jim on their new work assignments.
