

## Carolinus HealthCare System

February 4, 2015

Piedmont Pediatrics  
1085 NorthEast Gateway Court, NE  
Suite 290  
Concord, NC 28025

Dear Parent or Guardian:

Thank you for choosing Carolinus HealthCare System and Piedmont Pediatrics for your child's healthcare needs. Our physicians, advanced clinical practitioners and staff value the relationships we have developed with our patients and their families.

This letter serves as notification to you of an upcoming change within Piedmont Pediatrics. Dr. Hal Levin has been an integral part of the practice since 1994 and currently serves as the practice's medical director. Effective March 23, 2015, Dr. Levin, who is currently going through a gender transition, will begin practicing as Dr. Laura Levin. Though Dr. Levin's appearance will change, we can assure you that Dr. Levin will continue to practice medicine in a way that supports Carolinus HealthCare System's mission and core values: *Caring, Commitment, Integrity and Teamwork*. We will work with Dr. Levin, the staff, our patients' families and the community to ensure every patient continues to get the best, most compassionate care available.

Carolinus HealthCare System promotes an environment where differences are valued and integrated into our workforce. Our culture of inclusion and respect allows us to achieve our goals and deliver the best possible experience to the patients and communities we serve.

We understand that you may have questions or concerns related to this. Beginning February 12, Dr. Levin will be available for three weeks from 5:30 - 7 p.m. to answer any questions you may have. We also have resources available to parents and guardians to help you and your family understand and discuss Dr. Levin's transition.

If you would like to schedule time to meet with Dr. Levin, request resources or have other questions or concerns related to this matter, please contact Customer Care at 704-355-8363.

Best regards,

**Carolinus HealthCare System**
